Student Membership

The Irish Medical Organisation is the Trade Union and Representative Body for doctors in Ireland.

Student Membership in the IMO is **free**.

Join the IMO to receive:

- Access to expert personal advice from the IMO Member Advisory Unit
- Advocacy and representation in negotiations on intern training and induction
- Regular updates on the issues that affect your future as a doctor in Ireland
- Information on how the Intern training allocation process works, especially for non-Irish students

Change only happens when you get active
